

ReBUILD

A Program of ReSOURCE

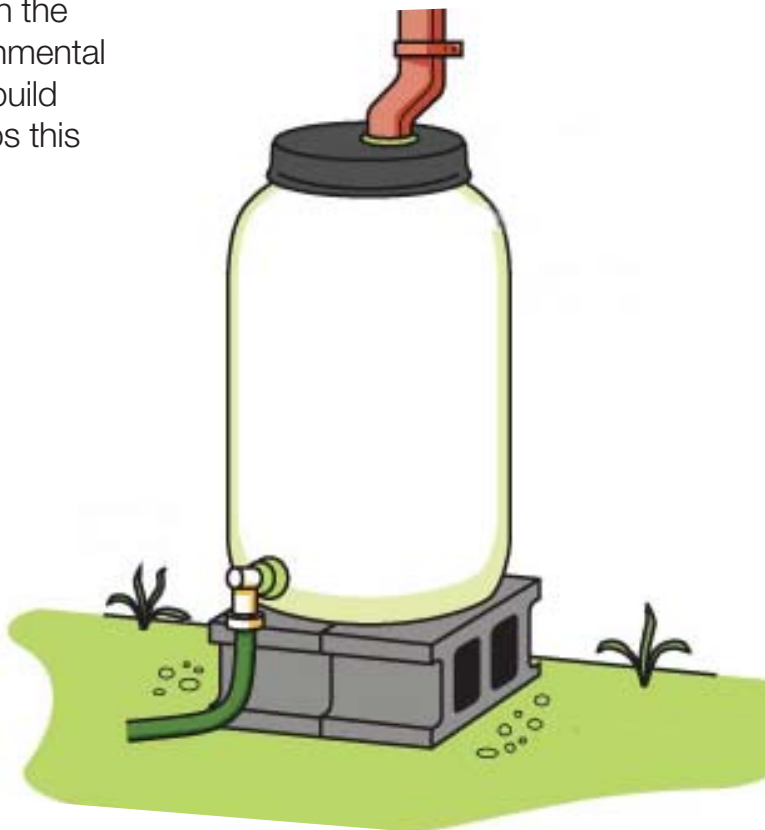

BUILD YOUR OWN RAIN BARREL!

ReSOURCE, in partnership with the Vermont Department of Environmental Conservation, will be hosting “build your own rain barrel” workshops this spring and summer.

Using recycled 55 gallon industrial drums, build your own rain barrel and learn about what you can do to mitigate stormwater runoff.

Workshop cost: \$60.00

Workshops include stormwater education, all rain barrel component materials, construction training from ReBUILD staff, and an installation guide.

Workshops will be held on the following dates at ReBUILD, 339 Pine Street, Burlington:

- | | |
|-----------------------|------------------|
| • Saturday, March 26 | 11:00AM – 1:00PM |
| • Thursday, April 28 | 5:00PM – 7:00PM |
| • Saturday, May 21 | 11:00AM – 1:00PM |
| • Thursday, June 23 | 5:00PM – 7:00PM |
| • Saturday, July 23 | 11:00AM – 1:00PM |
| • Thursday, August 25 | 5:00PM – 7:00PM |

To register, please email rainbarrels@resourcevt.org or call Colleen at 802.658.4143 x27

Recycle your rain drops and become a part of the solution in preserving the Lake Champlain watershed!
