

# Essex Junction Fire Department

Ladder Truck Replacement Update

# Ladder Replacement

KME  
Nesquehoning, PA

Pierce  
Appleton, WI

# Source Selection

- Pierce is our current ladder truck manufacturer
- KME is the manufacturer for our 8E5
- Both meet our requirement of a minimum 100ft rear mount steel ladder

# Source Selection

- Both manufacturers provided demo trucks for us to look at
- We climbed up, in, on top of and throughout
- As a department, we discussed likes and dislikes for each truck company
- We shared the list with each manufacturer and discussed options available

# Source Selection

- The truck committee established
  - Fire Chief
  - Second Assistant Chief
  - Engineers (2)

Truck Committee will draw up specifications for bid

# Source Selection

- Specifications are complete
- Review to be completed by Village Manager, Essex Fire and Captain EJFD
- Send out bid NLT March 30, 2012
- Bid close on April 27, 2012

# Source Selection
