Village Trustees Meeting at 6:30 pm

Lincoln Hall Meeting Room, Village Offices

2 Lincoln Street, Essex Junction, VT

The Village of Essex Junction and the Chittenden County Regional Planning Commission are sponsoring a public local concerns meeting to discuss the existing conditions, vehicle, pedestrian, bicycle and transit operations, safety, and related issues for the VT15/Pearl Street corridor between Post Office Square and the Five Corners.

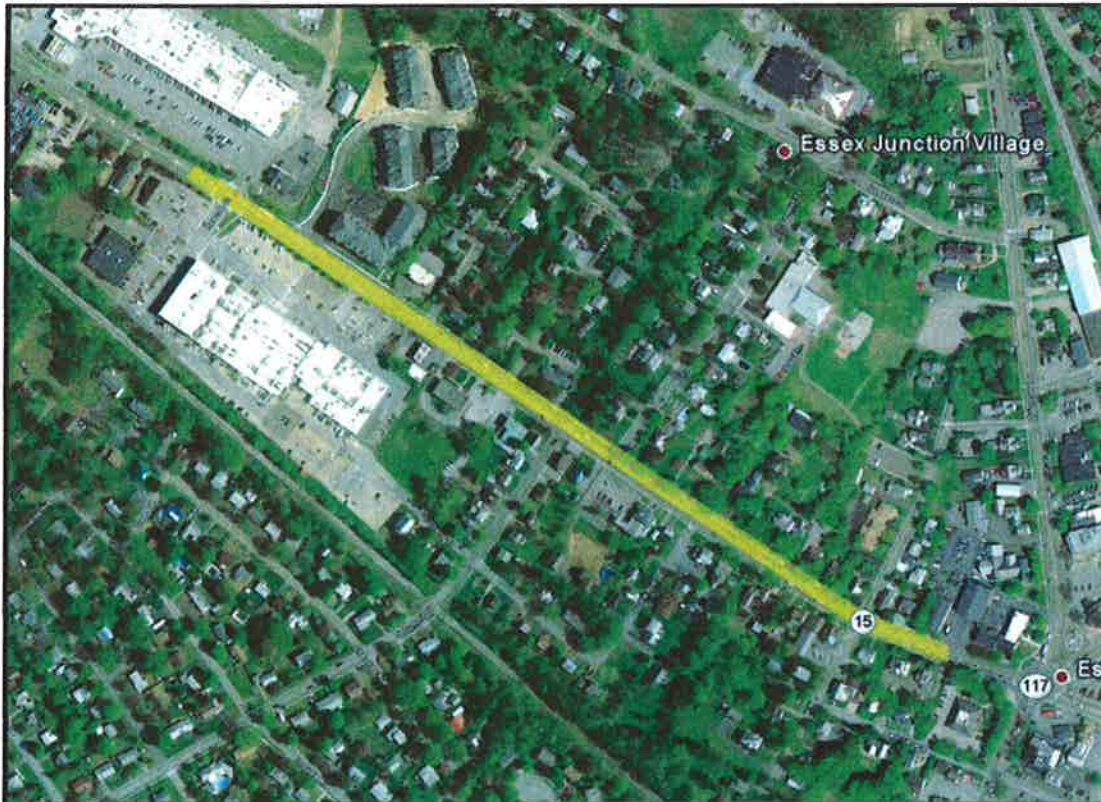

The purpose of this public meeting is to present the initial findings of existing conditions and hear your concerns, ideas, and answer your questions about existing issues and potential improvements to the roadway corridor. Both ends of this corridor have had recent improvements and this section remains the missing link of these improvements. The information received at the meeting will contribute to determining what alternative improvements to consider and evaluate in the next phase of this scoping study.

If you are unable to attend and have comments/questions, please contact Robin Pierce, Development Director, Village of Essex Junction, 2 Lincoln St., Essex Junction, VT 05452, robin@essexjunction.org , 878-6950.
