ANNUAL MEETING - AUSTRALIAN BALLOT

PARTICIPATE FROM HOME

Attend using Zoom or by calling with your phone

Informational Hearing Wednesday, April 6, 2022 at 7:00 pm

This hearing will be held remotely. **No voting will take place during this hearing.** If you wish to make a public comment but do not have the ability to comment remotely during the meeting, please email your comment(s) to the Interim Co-Managers at admin@essexjunction.org.

Annual Meeting Tuesday, April 12, 2022 - Australian Ballot

Voting by Australian Ballot will take place from 7:00 am until 7:00 pm at the Essex High School, 2 Educational Dr., for all Essex residents residing within the Village of Essex Junction. Visit www.essexjunction.org for voting information.

Vermont S.172 (Act 77)

In response to the concerns posed by the COVID pandemic, Vermont S.172 (Act 77) was passed allowing municipalities to hold annual meeting by Australian ballot.

The photo on the cover was taken by **Bill Boccio**, who retired from the Village Wastewater Treatment Facility several years ago. Bill is an avid photographer of all things nature and would often take photos around the facility by the river during his breaks. The picture is taken where the WWTF discharges the cleaned water to the Winooski River.

DEDICATION

James Jutras

James "Jim" Jutras began working for the Village of Essex Junction Wastewater Treatment Facility in 1990. Serving as an industry leader in wastewater treatment, Jim has been recognized for his work across New England through many awards and features in national trade magazines.

Jim has remained passionate throughout his career about water quality. He spearheaded multi-million dollar projects and programs and was at the forefront of technical advances in the wastewater and storm water fields throughout his career.

Jim retired in early 2022, concluding more than 31 years of dedicated service and leadership to the Village of Essex Junction as well as the towns of Essex and Williston. The Village Board of Trustees, on behalf of the staff and citizens of Essex Junction, extend sincere appreciation to James for his dedicated career in making Essex Junction and the region a better, healthier place to live and work.

VILLAGE BOARD OF TRUSTEES

ANDREW BROWN

Message from the Board of Trustees President

Calendar year 2021 and the start of 2022 can be summarized as a time of simultaneous repetition and change. For yet another year we found our lives and community conversations impacted by COVID-19 and governance. I am grateful that our community was able to maintain a hybrid meeting structure, thanks to the Vermont Legislature, which allowed residents and board members to safely continue to participate in municipal meetings. We saw increased community participation with the implementation of hybrid meetings, which was wonderful to see. This increased participation was of significant assistance to the Trustees as we swiftly pivoted from a focus on merging with the Town of Essex to creating the charter for the City of Essex Junction.

It's important to know that there are four items you will be asked to vote on which differ from the regular annual ballot budget and elections: 1) whether to change unrestricted fund balance max to 15%; 2) whether to have a local option tax; 3) whether to allow retail cannabis; and 4) whether to bond for the Main Street water line replacement. These decisions are important to the future of our community.

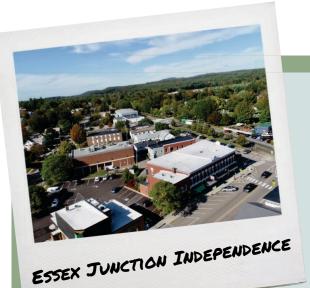

The Village of Essex Junction has seen important staff transitions this past year. With the community's decision to pursue separation from the Town, the Town Selectboard and Village Trustees decided not to continue with sharing one municipal manager, as such, Evan Teich's contract was not extended. The Trustees extend our sincere appreciation for Evan's leadership and community spirit. Details of his accomplishments can be found within our Resolution of Appreciation for Evan Teich. With Evan's departure the Trustees appointed Brad Luck, EJRP Director, and Wendy Hysko, Brownell Library Director, as Interim Co-Managers. The Trustees are thankful these two experienced and accomplished community leaders were willing to take on this additional responsibility and know Essex Junction is in good hands. Please join me in congratulating Brad and Wendy.

VILLAGE BOARD OF TRUSTEES

With the focus on separating Village municipal management from the Town of Essex we also welcome Colleen Dwyer as HR Director and Jess Morris as Finance Director. Both Dwyer and Morris come to the Village with great experience in their fields and I look forward to working with them in the coming years.

We also said goodbye to retired Water Quality Superintendent Jim Jutras. Jim led the Wastewater Treatment Facility, which serves the Village of Essex Junction, the Town of Essex and the Town of Williston. Under Jim's leadership the Wastewater Treatment Facility has been recognized by local, state and regional entities as one of the most innovative facilities for environmental excellence. As someone who has no professional or educational experience in this type of operation, I was always thankful for Jim's ability to take very complex and technical issues and distill them down to a level I could understand. While Jim will be sorely missed, I congratulate Chelsea Mandigo and Bernie Fleury who were promoted to Water Quality Superintendent and Chief Wastewater Operator. I am confident in their capabilities to continue Jim's legacy.

I want to extend a great thanks to all of our staff for their tireless and at times thankless effort in keeping the Village of Essex Junction the community I love. I also thank all of you for your support, feedback and community involvement. Our community would not be what it is without those of you who call Essex Junction home. I look forward to hearing from you, stay safe and be well.

The City Charter that was passed in November with 88% support is making its way through the legislature. It passed unanimously in two committees and was supported 148-2 in the full House.

The bill is now off to Senate committees and hopefully the full Senate. With

approval, it will go to the Governor for signature this spring. If signed, the City of Essex Junction will be formed on July 1, 2022.

MANAGER

EVAN TEICH

2021- A Year of Change

Covid: 2021 brought us new Covid challenges. The management team and all the department heads continued to adapt to new regulations, new safety protocols, and staffing issues. Overall, our buildings remained open (for the most part), we learned how to Zoom and Teams, and we provided excellent service to our citizens.

Covid-19 remains a large part of our weekly work load as we deal with staffing, masks, vaccines, and "close contacts". But, through all of that, we plowed the roads and sidewalks, held elections, issued dog licenses, adopted a budget and so much more. We have also applied for and received hundreds of thousands of state and federal dollars to help alleviate the cost of Covid-19 on Town and Village operations.

Then there were the elections on merger, which failed by 19 votes and then in the reconsideration vote it failed by 25 votes. It is sad that all the work over the past decade did not result in the Village and the Town merging and brought the Village to seek to

become its own independent City. But, many thanks go out to the countless people who, over the years, gave their heart and soul into the effort.

This will be my last annual message as my last day as the Unified Manager is/was February 25, 2022. It has been my pleasure to serve both the Village and the Town for the past four years and I have met so many great people wanting the best for their community and for that I am grateful. I also know that the two communities will be in good hands as

MANAGER

they both have very capable dedicated staffs who work hard day in and day out to address pressing needs, plan for the future and work on all matter of issues big and small. To that end, I would like to thank the entire staff of the Village and the Town, for whom I was proud to manage, for their friendship, teamwork, professionalism and determination. I want to especially thank our front-line public safety personnel, our police and fire departments. In this "new" but getting extremely old environment of Covid-19 they not only have to keep themselves and loved ones safe, they also need to keep others safe. They, like our incredible medical professionals, have to go to work every day not knowing who they will come in contact with and for how long. They go into many situations where they have no choice but to go and they do it with the utmost professionalism. They deserve our respect and appreciation for being there for us every hour of every day.

Here's to hoping that 2022 brings us back from the brink of disaster brought on by Covid and that we learn that we have to share this planet by using thoughtful communication and exhibiting tolerance of other's viewpoints for the best interests of the community. Thank you for providing me with the opportunity to serve.

Now the fun begins...

Evan's co-workers and the Trustees wish him all the best as he retires. His teamwork and dedication are greatly appreciated.

Enjoy your next chapter, Evan!

PROPOSED FY23 GENERAL FUND BUDGET

2021 ANNUAL MEETING MINUTES

VILLAGE OF ESSEX JUNCTION WARNING INFORMATIONAL HEARING: APRIL 6, 2022 AND ANNUAL MEETING: APRIL 12, 2022

INFORMATIONAL HEARING - online only Wednesday, April 6, 2022 at 7:00 pm

Due to the pandemic, this hearing will be held remotely. Available options to watch or join the meeting:

- WATCH: the meeting will be live-streamed on <u>Town Meeting TV</u>.
- JOIN ONLINE: https://zoom.us/join Meeting ID: 944 6429 7825; Passcode: 635787
- JOIN CALLING: (toll free, audio only): (888) 788-0099 Meeting ID: 944 6429 7825; Passcode: 635787
- MODERATOR: All instructions for conduct of the meeting will be guided by the Moderator.

If you have difficulty accessing the hearing, please call (802) 878-6951 or email admin@essexjunction.org.

On January 25, 2022, the Village Trustees voted to hold the 2022 Annual Meeting entirely by Australian ballot. A public informational hearing on the Articles to be voted on at Annual Meeting will be held according to 17 V.S.A. § 2680. No voting will take place during this hearing. If you wish to make a public comment but do not have the ability to comment remotely during the meeting, please email your comment(s) to the Interim Co-Manager at admin@essexjunction.org.

AGENDA will include:

- Discussion of Article I Adopting the budget
- Discussion of Article 2 Unrestricted fund balance
- Discussion of Article 3 Local option tax
- Discussion of Article 4 Cannabis retailers
- Discussion of Article 5 Main Street water line bond
- Setting of next Annual Meeting in Article 6
- Announcement of offices up for election in Article 7
- Public to be heard (to be moderated)

ANNUAL MEETING - Australian Ballot Tuesday, April 12, 2022 7:00 am to 7:00 pm

The legal voters of the Village of Essex Junction are hereby notified and warned to meet at the Essex Community Educational Center on Educational Drive in the Village of Essex Junction on Tuesday, April 12, 2022 to transact the following business by Australian ballot. Said voting by Australian ballot to begin at 7:00 am and close at 7:00 pm.

ARTICLE 1. Shall the voters approve an annual General Fund Budget in the amount of \$6,310,015 for fiscal year July 1, 2022 to June 30, 2023, \$3,890,397 of which is to be levied in taxes against the Village Grand List?

ARTICLE 2. Shall the voters authorize the Village of Essex Junction to maintain and administer an unrestricted fund balance of up to fifteen percent (15%) of the current year General Fund Operating budget, and require any amount over fifteen percent (15%) be used to stabilize subsequent tax rates?

ARTICLE 3. Shall the voters approve the Village of Essex Junction assessing a one percent sales tax, a one percent meals and alcoholic beverages tax, and a one percent rooms tax pursuant to 24 V.S.A. § 138(b)?

ARTICLE 4. Shall the Village of Essex Junction authorize cannabis retailers and retail portions of integrated licensee establishments in the Village pursuant to 7 V.S.A. § 863?

ARTICLE 5. Shall general obligation bonds or notes of the Village of Essex Junction in an amount not to exceed Three Million Seventy Thousand Dollars (\$3,070,000), subject to available grants-in-aid, be issued to finance the cost of replacing the Main Street water line?

ARTICLE 6. Shall the voters approve holding the 2023 Annual Meeting on Wednesday, April 5, 2023 to act upon any articles not involving voting by Australian ballot and to reconvene on Tuesday, April 11, 2023 to vote for the Village officers and transact any business involving voting by Australian ballot?

ARTICLE 7. To elect Village officers required by law including: Moderator (one year term); one Village Trustee (three year term); one Library Trustee (five year term)?

Dated this 8th day of March, 2022 by the Village of Essex Junction Board of Trustees.

Andrew Brown President

Raj Chawla Vice President George Tyler

Daniel Kerin

Amber Thibeault

The Articles Explained

Article 1 - Adopting the budget

You are being asked whether to approve a General Fund budget of \$6,310,015, of which \$3,890,397 will be levied in taxes.

- Budget increase: 11.90%
- Estimated tax rate increase: 3.44%
- Estimated tax increase to \$280,000 home: \$32.20
- Tax rate increase is less than budget increase primarily due to one-time use of revenue of \$375,000 of the total \$3,200,000 of American Rescue Plan Act (ARPA) funds the Village has been awarded.
- Primary expense increase drivers are new positions and planned increase in capital transfer. New positions include City Manager, HR Director, Finance Director, and Recreation Customer Service Specialist.

Article 2 - Unrestricted fund balance

You are being asked whether to approve a change in the maximum unrestricted fund balance the Village may maintain at the end of each year.

- Unrestricted fund balance is a "rainy day" fund that can be used in unforeseen, unbudgeted situations.
- Government Finance Officers Association (GFOA) recommends maintaining unrestricted fund balance of no less than 16.67%.
- Village's current maximum is set at 10%.
- Setting threshold of 15% would be in accordance with best practice.
- Any funds over 15% would be used to reduce or stabilize tax rate in future budgets.

Article 3 - Local option tax

You are being asked whether to approve the Village assessing a one percent local option tax on sales, meals & alcoholic beverages, and rooms.

- Local option taxes are an alternative method of raising municipal revenues.
- Items that would be assessed 1% local option tax include meals, alcoholic beverages, admission charges, personal property, lodging, etc.
- In Chittenden County, local option taxes are collected in Burlington, Colchester, South Burlington, Williston, and Winooski.
- Estimated annual revenue: \$600,000 \$750,000.
- Likely uses include capital expenses: infrastructure replacement, road repaving, sidewalk repair, facility upgrades.
- The Capital Reserve Fund will run out of funds in FY25 without further increases in General Fund transfers, other revenue sources, or delaying planned road and sidewalk construction.

Article 4 - Cannabis retailers

You are being asked whether to approve the Village allowing cannabis retailers and retail portions of integrated licensees to operate in the Village.

- Cannabis retail establishments would be subject to state regulations and inspections.
- Establishments would be subject to local rules that apply to all businesses, including zoning, ordinances, and regulation of signs or public nuisance.
- No special rules can be created for cannabis establishments.
- State law does not allow retail cannabis on a property that abuts or is within 500' of a school.
- Municipalities with a local option tax can receive tax revenue on retail sales of cannabis.
- An integrated licensee is an establishment that offers retail sales in addition to other cannabis activities such as cultivator, manufacturer, wholesaler, or testing lab.

Article 5 - Main Street water line bond

You are being asked whether to approve the Village obtaining a bond of up to \$3,070,000 to finance the replacement of the Main Street water line.

- Project will replace the water line on Main Street from bridge next to Town Offices at 81 Main Street, to Champlain Water District water tank off of Upper Main Street.
- Debt payments will be made from Water Fund Capital Reserve Fund.
- Taking on debt will not require any increase in user rates. Current capital contributions are sufficient to cover debt payments.
- · Large water line and when it fails the damage is major and costly.
- At least 10 breaks on line over last 30 years.
- Pipe has reached end of its life.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees Village of Essex Junction, Vermont Essex Junction, Vermont

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Village of Essex Junction, Vermont, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

To the Board of Selectmen Village of Essex Junction, Vermont Page 2

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Essex Junction, Vermont, as of June 30, 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on page 33 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village of Essex Junction, Vermont's basic financial statements. The combining nonmajor fund financial statements and budgetary comparison schedules of the enterprise funds are presented for the purposes of additional analysis and are not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is also not a required part of the basic financial statements.

The combining nonmajor fund financial statements and schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining nonmajor fund financial statements and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The budgetary comparisons schedules for the enterprise funds have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

To the Board of Selectmen Village of Essex Junction, Vermont Page 3

Other Reporting Required by Government Auditing Standards

Kittle Brange a Saxy

In accordance with *Government Auditing Standards*, we have also issued our report dated January 12, 2022, on our consideration of the Village of Essex Junction, Vermont's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village of Essex Junction, Vermont's internal control over financial reporting and compliance.

St. Albans, Vermont January 12, 2022

VILLAGE OF ESSEX JUNCTION, VERMONT MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2021

Management of the Village of Essex Junction (the "Village") herein sets forth an overview and analysis of its financial operations for the fiscal year ended June 30, 2021.

FINANCIAL HIGHLIGHTS

- Assets exceeded liabilities and deferred inflows of resources on June 30, 2021 by \$36,847,100 (net position). Of this amount, \$7,404,153 (unrestricted net position) may be used by the various funds of the Village to meet the Village's ongoing obligations. The balance of net position is made up of \$29,415,912 invested in capital assets net of related debt and \$27,035 restricted for specific purposes.
- The Village's total net position increased by \$2,039,402. Of this amount, net position attributable to governmental activities increased by \$1,558,210. Net position attributable to business-type activities increased by \$481,192.
- Fund balances of total governmental funds increased by \$712,878 in FY21. The General Fund had \$562,887 of unassigned fund balance at June 30, 2021 which is equal to 9.98% of the approved FY22 General Fund Budget. As of June 30, 2020, the General Fund had \$536,766 of unassigned fund balance.

OVERVIEW OF THE FINANCIAL STATEMENTS

The annual financial report consists of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of the Village of Essex Junction's finances, in a manner similar to a private-sector business.

The *statement of net position* presents information on all of the Village of Essex Junction's assets and liabilities with the difference between the two reported as net position.

The statement of activities presents information showing how the Village's net position changed during the past fiscal year. The statement of activities is on the full accrual basis (i.e. all changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows) whereas the statement of revenues, expenditures and changes in fund balances of governmental funds is on the modified accrual basis (i.e. revenue is recognized when it becomes measurable and available as net current position and expenditures are recognized when the related liability is incurred). Thus in the statement of activities revenues and expenses are reported for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

Both of the government-wide financial statements combine information from governmental funds (which are supported primarily by tax dollars) with information from enterprise funds which are supported by user fees and charges (business-type activities). The governmental activities of the Village of Essex Junction include general government, public works, community development, public safety, and culture and recreation. The business-type activities of the Village include water operations, wastewater treatment, and sanitation lines maintenance. The government-wide financial statements can be found on pages 1 & 2 of the Financial Statements.

Fund financial statements. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Village has three types of funds: governmental funds, proprietary funds, and fiduciary funds. The proprietary funds of the Village are all Enterprise Funds. Fund financial statements can be found on pages 3 through 10 of the Financial Statements.

VILLAGE OF ESSEX JUNCTION, VERMONT MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2021

Notes to the financial statements. The notes provide additional information that is necessary for an understanding of the information in the government-wide and fund financial statements. The Notes to the Financial Statements follow the basic financial statements in this report.

Other Information. In addition to the basic financial statements and accompanying notes, this report also presents certain *supplementary information*. This supplementary information includes combining statements for various funds and budgetary companison statements for funds other than the Village's general fund. The supplementary information can be found immediately following the notes to the financial statements.

| Unrestricted | | 2,497,995 | | 2,374,543 | | 4,906,158 | | 4,228,234 | | 7,404,153 | | 6,602,777 |
| Total Net Position | S | 24,876,151 | S | 23,317,941 | S | 11,970,949 | S | 11,489,757 | S | 36,847,100 | S | 34,807,698 |

As stated in the chart titled Summary Statement of Net Position, assets exceeded liabilities by \$36,847,100 at the end of fiscal year 2021. Assets at the end of fiscal year 2020 exceeded liabilities by \$34,807,698.

The largest portion of the Village's net position is in its net investment in capital assets (79.83%). These assets are used to provide services to its citizens (e.g. land, buildings, equipment, and infrastructure). Therefore, these assets are not available for future spending.

An amount of \$27,035 of the Village's net position is subject to restrictions on how it may be used. These funds are restricted for Veterans Memorial Park and for the Senior Center. Unrestricted net assets of \$7,404,153 may be used to meet the government's ongoing obligations to citizens and creditors. Some of the amounts included in unrestricted net position are committed by the Village or assigned by the Board of Trustees for particular purposes (e.g. capital projects).

Governmental activities. Governmental activities increased the Village's net position by \$1,558,210 in FY21. The Village increased its investment in capital assets by \$1,432,638 and unrestricted net position increased by \$123,452. Restricted net position decreased by \$2,120.

Business-type activities. Business-type activities increased the Village's net position by \$481,192.

Water Fund

The Water Fund had a budgetary net loss of \$32,408 in FY21. Disregarding GlobalFoundries pass through revenues and expenses, Water Fund revenues were \$15,576 more than budget and expenses were \$47,984 over budget. Revenue items that were slightly over budget were Large User Water Sales, Penalties, Hook on Fees, Interest Earnings and Miscellaneous Unclassified Revenue. The Water Fund completed work on the Lamoille St. Waterline project, continued work on the Water Meter Replacement Program (\$9,938) and continued preliminary work on the Railroad Ave. Waterline project, and Fairview Drive pressure valve connection projects.

VILLAGE OF ESSEX JUNCTION, VERMONT MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2021

Sanitation Fund

The Sanitation Fund had a budgetary net income of \$316,225 against a budget of \$185,250 in net income. Sanitation revenues were \$158,990 more than budgeted and expenses were \$28,015 more than budgeted. Hook-on fees were \$78,100 more than budgeted and penalty and interest revenues exceeding anticipated revenues. Village customer charges included \$176,500 for the WWTF Refurbishment Bond payment. The Sanitation Fund participates by paying 2/3 of the cost of the Meter Replacement Program as it funds the costs for both the Sanitation Fund (underground piping) and the Wastewater Treatment Fund (wastewater treatment). Meter replacement costs totaled \$19,876 in FY21. The West St. and Susie Wilson Pump station control cabinet project was completed in FY21 totaling \$78,429.

Wastewater Treatment Fund

The Wastewater Treatment Fund had budgetary net income of \$100,768 in FY21. Revenues were over budget by \$99,110 while expenses were under budget by \$1,658. At year-end 2014, a reconciliation was done of revenues versus expenses and it was found that each of the Tri-Town communities was responsible for a portion of the surplus. Each community in the Tri-town was designated a portion of the surplus to be a buffer against future losses. These funds have been set aside for each community. This reconciliation has continued annually and the amounts designated to each community as of June 30, 2021 include Essex Junction \$401,534; Town of Essex \$115,159; and Town of Williston \$135,400. Each community determines how much it wants to leave in this rate stabilization fund. Work continued in FY21 on the Alkalinity Control Installation, Plant Capacitator, VT Phosphorus Challenge and Flow Equalization Bypass. The Flow EQ Digester Reseal and Primary Digester Block projects were completed during FY21.

Recreation Programs Fund

On July 1, 2017 the Essex Junction Recreation and Parks (EJRP) became a department of the Village. EJRP had previously been a department of the school district. EJRP operates the Recreation Programs enterprise fund. The Recreation Programs Fund ended the year with a deficit net position of \$98,091. As an enterprise fund it is expected that program revenues generated will cover the costs of programing. Program revenues came in over budget by \$101,073. Program expenses were over budget by \$138,045. Three new afterschool care sites and COVID related childcare programs were added during FY21 which resulted both revenue and expenditures exceeding budget.

FINANCIAL ANALYSIS OF MAJOR GOVERNMENTAL FUNDS

The General Fund

The General Fund is the chief operating fund of the Village. The General Fund had a net decrease in fund balance of \$58,260 for the year ended June 30, 2021. The fund balance of the General Fund decreased from \$922,831 at the end of FY20, to \$864,571 at the end of FY21. Of the \$864,571 fund balance, \$165,446 is nonspendable (inventories and prepaid expenses), \$136,238 is assigned (see Note 12 for additional detail) and \$562,887 is unassigned. The unassigned fund balance is equal to 9.98% of the FY22 Budget. To comply with the Governmental Accounting Standards Board Statement 54, the Village has adopted a fund balance policy. Basically, this fund balance policy states that the fund balances of governmental funds are classified as nonspendable (not in spendable form or legally required to remain intact); restricted (constraints on the use of resources are either externally imposed by creditors, grantors, or donors, or imposed by law through enabling legislation); committed (constraints on the use of resources are imposed by formal action of the voters); assigned (reflecting the Board of Trustees intended use of the resources); and unassigned. As of June 30, 2021 the Village General Fund has no committed or restricted fund balance. In addition the Village has a policy limiting unassigned fund balance to 10% of the current budget.

VILLAGE OF ESSEX JUNCTION, VERMONT MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2021

The Village budget for the year ended June 30, 2021 passed on the first vote at Village Meeting in April of 2020 and there were no amendments made to the budget during the year.

On the revenue side, the Village recorded revenues greater than budget by \$121,170. This was primarily driven by large unbudgeted revenues (grants and donations) over budget by \$111,891 and intergovernmental revenues coming in over budget by \$43,548. Intergovernmental revenues are mostly revenues from the Town of Essex. Other income was over budget by \$1,423.

- General government expenditures were over budget by \$69,957. General government departments include Finance, Administration and Buildings.
- Public safety expenditures were under budget by \$25,461, as a result of salaries coming in lower than budget due to decreased call volume.
- Public works expenditures were over budget by \$74,867, predominantly as a result of paving offset by the use of assigned fund balance from FY20 underspent paving in the amount of \$68,303.
- Community and economic development expenditures were under budget by \$42,034. This was driven
 by legal services being underspent by \$12,490, economic development being underspent by \$30,257.
- Culture and recreation expenditures were over budget by \$39,403 offset by the unbudgeted grant revenue.

Capital Reserve Fund

The Capital Reserve Fund had a fund balance of \$628,381 as of June 30, 2021 and a fund balance of \$788,307 as of June 30, 2020. The Crescent Connector Project progressed for a cost of \$252,181 with federal grant reimbursement in the year of \$253,257, the difference is a result of timing between expenditure recognition and when the Village receives grant revenues. This project is funded by a grant from the US Department of Transportation through the State of Vermont Agency of Transportation and does not require matching funds. Additional major projects during the year included: the Lamoille St. Water line replacement (\$78,475), Densmore Drive Culvert project \$884,700), and Brickyard/Mansfield stormwater work (\$261,822).

Whitcomb Terrace Loan Fund

In April of 2004, the Village received a grant of up to \$270,000 from the Vermont Agency of Commerce and Community Development. This grant was used in FY05 to construct Whitcomb Terrace, 19 new barrier-free units of affordable housing at 128 West Street in Essex Junction. The grant money was used to provide a deferred loan to Whitcomb Terrace Housing Limited Partnership for the purpose of constructing Whitcomb Terrace. The interest free loan is due to be paid back to the Village on December 17, 2034. The Village has a note receivable that is not likely to be paid back and so is carrying a \$-0- balance for this note.

Rolling Stock Reserve Fund

The Rolling Stock Reserve Fund had fund balance of \$380,715 as of June 30, 2021 and \$295,683 as of June 30, 2020. The Village purchased a sidewalk plow during the fiscal year. Debt payments on the fire note were made for \$30,000. This fund received an appropriation from the general fund of \$238,624 and \$7,748 in other revenues.

VILLAGE OF ESSEX JUNCTION, VERMONT MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2021

EJRP Capital Reserve Fund

The EJRP Capital Reserve Fund had a deficit fund balance of \$195,876 as of June 30, 2021 and a fund balance of \$57,767 as of June 30, 2020. Park amenities were replaced at the Maple Street playground during the year in the amount of \$270,572. There are planned annual transfers in the amount of \$55,000 per year through FY25 to reduce the deficit fund balanced as a result of the replacement of the playground equipment.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

The Village of Essex Junction's investment in capital assets for its governmental and business—type activities as of June 30, 2021 totaled \$43,935,040 (net of accumulated depreciation). This is a net increase of \$328,396 from June 30, 2020 when the total was \$43,606,645. These assets include buildings, roads and bridges, land, machinery and equipment, library books, park facilities, vehicles and distribution and collection systems. Asset additions totaled \$2,442,560 and were concentrated in infrastructure and machinery and equipment categories. These additions were offset by accumulated depreciation which increased by \$2,114,164, to cause the increase in capital assets net of accumulated depreciation.

The major capital asset transactions during the year for the Governmental Activities were as follows:

- · Paving on West Street, Lamoille Street and South Street
- · Stormwater improvements on Corduroy and Brickyard and Mansfield Avenue
- · Resurfacing of Cascade Street and Maple Street basketball courts and Maple Street skate park
- Purchase of a sidewalk tractor
- · Purchase of a spaceball net
- · Construction of the Brownell Library Pavilion

The major capital assets transactions during the year for the enterprise activities were as follows:

- SCADA system upgrade at the Wastewater Treatment Plant
- · Installation of pump station control cabinet
- · Water meter purchase and installation is ongoing

A table that shows the values of the Village's capital assets net of depreciation is shown below. Additional information can be found in Note 7 of this report.

VILLAGE OF ESSEX JUNCTION, VERMONT MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2021

Summary of Capital Assets

In FY18 the Village received a loan from People's United Bank for a new Fire Ladder Truck was issued for \$150,000 with interest of 1.5% and \$30,000 of principal was paid during the first year. The Village intends to pay \$30,000 a year plus interest and renew the note annually. In FY21 the interest rate was 2.75% and the Village paid \$30,000 in principal plus interest. The balance on the loan is \$30,000.

On April 8, 2014 the Village voters agreed to issue general obligation bonds in an amount not to exceed \$3,300,000. In July 2015 \$3,300,000 was received from the Vermont Municipal Bond Bank for the purpose of performing five infrastructure projects. In FY15 the School St. south Roadway/Water/Sewer line project was completed. In FY16 the Hillcrest Drainage project, the Main St. Drainage, the Maple St. Culvert/Water line were completed and the Briar Lane Roadway/Sidewalk/Water Line projects were continued. The last project, Briar Lane Roadway/Sidewalk and Water Line was completed in FY17. At June 30, 2021 the outstanding principal on this bond is \$2,310,000; with \$1,892,056 in governmental activities and \$417,944 in business-type activities.

In FY10 the Village was awarded a loan of \$566,938 under the American Recovery and Reinvestment Act (ARRA) to fund two projects. The projects funded were for a high efficiency blower for the Wastewater Treatment Facility and a comprehensive rehabilitation of the Village's sanitary sewers. Under the ARRA program half of the loan was forgiven in the form of a grant. Interest is at 0% but there is a 2% administrative fee. The loan was for 20 years and the principal balance due at June 30, 2021 is \$155,723.

VILLAGE OF ESSEX JUNCTION, VERMONT MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2021

In FY11 the Village began two long term projects in the Wastewater Treatment Fund and the Sanitation Fund. In a special meeting on April 12, 2011, the Village voters authorized the Village to issue bonds for \$15,230,000 for improvements to the Wastewater Treatment Facility and \$1,287,000 for the upgrade of Village pump stations. As of June 30, 2016, the High School Pump Station project was complete and the Village had borrowed \$1,212,300 and received a subsidy of \$114,800 from the State Clean Water Revolving Fund in the Sanitation Fund. The principal due on the loan as of June 30, 2021 is \$761,697. As of June 30, 2015 the Village had borrowed \$13,525,000 for the Wastewater Treatment Refurbishment Project from the State Clean Water Revolving Fund and received a subsidy of \$600,000 making the amount due \$12,925,000. The first payment on this loan of was made in FY17 and the principal due on the loan as of June 30, 2021 is \$10,156,708. A bond payable for the Wastewater Treatment Refurbishment Project for \$1,705,000 was assumed from the Town of Bradford. Principal and interest payments were started in FY12. As of June 30, 2021, the principal outstanding on this bond was \$1,105,000. The Wastewater Treatment Facility, while owned by the Village of Essex Junction serves three towns, the Village of Essex Junction, the Town of Essex and the Town of Williston. The debt payments for the Wastewater Treatment Facility are distributed to the Tritown members according to capacity owned in the Facility.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

Consolidation of Service Delivery Systems

- Starting in FY15 the Town of Essex entered into an agreement with the Village of Essex Junction and the
 Essex Junction School District to bill and collect their property taxes. This action was an effort to reduce
 the duplication of services that existed. As part of the agreement the Town assumed the delinquent taxes
 of the Village and Village School District. The Town of Essex will continue to do the school tax billing for
 the Essex Westford School District for all residents that reside in the Town of Essex.
- In FY14 the Village and Town entered into an agreement to share the services of the Town Manager as the Municipal Manager for both entities. This arrangement led to the Village sharing the salary costs of the Manager with the Town, thereby reducing the cost to all taxpayers. In FY15 it was determined that this cost sharing was beneficial and efforts should continue to find more areas to cooperate in the delivery of services to be more efficient. This arrangement has resulted in substantial savings for both the Village and Town. In FY18 the current Unified Municipal Manager, Pat Scheidel, who has been Town Manager for 27 retired. A new Unified Municipal Manager, Evan Teich, began employment on February 26, 2018. The decision to hire Mr. Teich was unanimous by both the Village of Essex Junction Trustees and the Town Selectboard.
- FY16 was the first of a three-year commitment to combine the Street budget with the Town of Essex. The
 Village Trustees adopted the Village Street budget and the Town of Essex voters approved the funding
 for this budget as part of the Town budget. A Committee was formed in the spring of 2017 to evaluate
 how successful this arrangement has been so far and whether it should be continued. The Public Works
 Consolidation Committee came to the following conclusions:
 - Maintain the MOU until June 2018 and do the studies outlined in the report.
 - Extend the MOU from July 1, 2018 until the studies are complete or well underway. The goal is full consolidation eventually.
 - o Benchmarks will be established as a result of the studies
 - Cross-train staff in the village and town and identify common best practices
 - o Consolidate rolling stock and equipment budgets as well as capital planning.
 - Practice resources management with assets, administration, processes, services.
 - Both the Trustees and the Selectboard approved the report.
 - In FY16 the Village and the Town combined accounts payable, accounts receivable, cash receipts and general ledger. Two Village employees were relocated to the Town offices to share this work.

VILLAGE OF ESSEX JUNCTION, VERMONT MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2021

- In FY17 the Village Clerk/Treasurer became the combined Town and Village Clerk/Treasurer when the Town Clerk/Treasurer position became vacant through retirement.
- In FY18 a Human Resources Director was hired as the combined Town and Village Human Resource Director.
- In FY19 the pay rates and practices of both Fire Departments were aligned. A combined Assistant
 to the Manager position was established which is funded by both entities.
- In FY20, EJRP and the Essex Parks and Recreation Department co-located at 75 Maple Street and began streamlining services at the front desk by co-supervising the Customer Service Specialist, the Program Director – Senior Services, and by contracting for joint Communications Services. The two departments have hosted joint events and have moved to producing one brochure.
- In FY 20, the Village Trustees and Town Selectboard met jointly and worked to put together a merger plan for the two entities. The Village voted during the November 2020 election on a plan of merger and it passed 3,453 to 1,205.
- In FY21, The Village Highway and Streets Rolling Stock capital was added to the Highway operating budget, funding for this budget is part of the Town budget.
- The Town of Essex (including Village residents) voted via Australian ballot in March 2021 on Article II, a plan of merger for the Town of Essex and Village of Essex Junction. The article did not pass, 3,737 Yes to 3,756 No. A Special Town Meeting was held in April for a vote to reconsider the plan for merger; that vote also did not pass 4,199 Yes to 4,225 No. The Village of Essex Junction also held an advisory vote in April, asking voters if the Village should pursue separation from the Town in the event the merger did not pass.
- Village voters voted in a special election held November 2, 2021 on whether to adopt a proposed charter for the City of Essex Junction, VT which would effectively separate the Village from the Town of Essex. The vote passed 3,070 to 411. The charter for the City of Essex Junction, VT is currently being reviewed by the state legislature for approval.

FY22 Budgets

The FY22 General Fund budget increased by \$273,624 or 5.1% from the FY21 budget, bringing total budgeted General Fund expenditures to \$5,641,278 from \$5,367,655. The tax rate increased by 1.3% from \$0.3302 to \$0.3345. In addition to the General Fund rate, there is a 1 cent tax for Economic Development that was added in FY17.

The Village Water, Wastewater and Sanitation Funds saw a budget increase in total of \$145,403 or 2.1% from an aggregate of \$6,899,370 for the three funds to \$7,044,773. This caused an overall rate increase for FY22 of 2.9% for the average user using 120 gallons per day.

VILLAGE OF ESSEX JUNCTION INFORMATIONAL HEARING MINUTES WEDNESDAY APRIL 7, 2021

VILLAGE TRUSTEES: Andrew Brown, Village President; George Tyler, Vice President; Rajan Chawla; Dan Kerin; Amber Thibeault

ADMINISTRATION and **STAFF:** Evan Teich, Unified Manager; Greg Duggan, Deputy Manager; Tammy Getchell, Assistant to the Manager; Wendy Hysko, Brownell Library Director; Rick Jones, Public Works Superintendent; James Jutras, Water Quality Superintendent; Marguerite Ladd, Assistant Manager; Karen Lemnah, Assessor; Brad Luck, Essex Junction Recreation & Parks Director; Sarah Macy, Finance Director; Linda Mahns, Administrative Assistant; Susan McNamara-Hill, Clerk; Robin Pierce, Community Development Director

OTHERS PRESENT: Alice Allen; Joel Baird; Jonathan Breen; Joe Breuer; Jennifer Catella; Diane Clemens; Annie Cooper; Erna D; Jeff Deslauriers; Tracey Delphia; Rep. Karen Dolan; Roy Gates; Maureen Gillard; Rep. Lori Houghton; Wendy Hysco; Joan MacKenzie; Scott Moore; Mike Czaplicke; Mike Resa; Saramichelle Stultz; Mike Sullivan; Andy Suntup; Linda Suntup; Ann Wadsworth; Andy Watts; Jess Wisloski; Irene Wrenner; George; iPhone; Ken; Ken's iPhone; Roy5

MODERATOR: Steve Eustis

1. CALL TO ORDER

Mr. Eustis introduced himself as the meeting's moderator. He called the meeting to order at 7:00 PM.

2. PLEDGE OF ALLEGIANCE

Mr. Eustis invited the assemblage to join in the Pledge of Allegiance.

3. NATIONAL ANTHEM

The National Anthem was performed by Emma Blatt.

4. WELCOME AND ANNOUNCEMENT

Mr. Brown introduced all staff in attendance, members of the Board of Trustees and distinguished guests. Mr. Eustis explained how the 2021 Village Annual Meeting would differ from previous years and requested civility and respect throughout.

5. PRESENTATION AND DISCUSSION ABOUT ARTICLE 1:

Mr. Eustis read Article I at 7:08 PM: Shall the voters approve an annual General Fund Budget in the amount of \$5,641,278 for fiscal year July 1, 2021 to June 30, 2022, \$3,745,866 of which is to be levied in taxes against the Village Grand List?

Mr. Brown presented information about Article 1. He described the budget as status quo, constructed to continue current services. He talked about the rolling stock funds, which moved to department budgets, and funds for buildings maintenance. He stated the budget reflects stable costs for staff. Mr. Brown provided a summary of the general fund. He said contributing Factors for the 5.1% increase in the general fund were salaries and benefits; capital transfer; restoration and maintenance of buildings; board stipends; professional services; salary study; paving; salt costs and a net decrease. He talked about the reasons behind increasing stipends for the Trustees, and committee members. He said the increases will help people overcome barriers to participating and incentivize the opportunity for people who have historically been marginalized to serve on committees and boards. Mr. Brown said the estimated tax impact of

the budget will bring the tax rate to 0.97%, resulting in the estimated tax increase to a \$280,000 property of \$8.96. Mr. Brown provided an overview of where Village resident tax dollars go by percentage to Village services, Town services and the School budget. He shared examples of how capital funds are planned to be spent in the upcoming year on the completion of the Densmore Drive Culvert replacement and road reconstruction; a truck purchase; playground equipment purchase; a manhole repair and conservation efforts.

Mr. Eustis opened public discussion of Article 1. There were no comments from the public at this time.

6. PRESENTATION AND DISCUSSION ABOUT ARTICLE 2

Mr. Eustis read Article 2 at 7:18 PM: Shall the Village authorize the transfer of the remaining balance in the Land Acquisition Fund, estimated balance to be approximately \$82,700, to the Economic Development Fund to be used for downtown development?

Mr. Tyler provided overview of the land acquisition fund. He said it was originally created to accumulate money to purchase property in the Village center as a downtown revitalization strategy. He said \$300,000 was used for capital expenses and the remainder was left accumulating interest. Mr. Tyler said it would be appropriate for voters to choose to transfer the fund's \$82,700, balance to the Economic Development fund because it is for similar purposes.

7. PRESENTATION AND DISCUSSION ABOUT ARTICLE 3

Mr. Eustis read Article 3 at 7:21 PM: Shall the voters approve extending the one cent Capital Improvement tax (also known as Economic Development tax), as established in 2016, to be reconsidered at annual meeting in 2024.

Mr. Tyler presented information about Article 3. He said the Economic Development fund, also known as the penny on the tax rate, generates about \$120,000 per year. He said the fund was set up for three years, with a requirement that, after the third year, voters would be asked to approve the continuation of the tax. He described the fund a good investment into the downtown. He said int 2021, it was used to purchase space near the Firebird Café, where a park can be built. He showed an artist rendering of potential use for the park. He said the fund also helped pay for Open and Outside event costs; small improvements at Village center; and to purchase 33 public parking spaces in a parking garage being constructed.

Mr. Eustis opened public discussion of Article 2. There were no comments from the public at this time.

8. PRESENTATION AND DISCUSSION ABOUT ARTICLE 4

Mr. Eustis read Article 4 at 7:26 PM: Shall the annual stipend for the position of a Trustee of the Village Board of Trustees be raised from \$500 to \$1,000?

Ms. Thibeault provided information about Article 4. She said the stipend increase for Trustees is intended to help diversify participation on the Board. She showed how the increase from \$500 to \$1000 equates to a per meeting payment of \$18, and she described how it would make the stipends equitable, as compared to Essex, Colchester, and Burlington. Ms. Thibeault talked about additional stipend increases, for those who serve on various other committees in the Village, to \$50 per meeting per person. She said this was intended to help people cover expenses that may result from attending meetings.

Rep. Dolen said she appreciates the Trustees asking for reasonable compensation in an effort to bring new voices to the table. She talked about how stipends can make a difference in people's ability to participate.

9. PRESENTATION AND DISCUSSION ABOUT ARTICLE 5

Mr. Eustis read Article 5 at 7:31 PM: Shall the voters approve holding the 2022 Annual Meeting on Wednesday, April 6, 2022 to act upon any articles not involving voting by Australian ballot and to reconvene on Tuesday, April 12, 2022 to vote for the Village officers and transact any business involving voting by Australian ballot?

10. PRESENTATION AND DISCUSSION ABOUT ARTICLE 6

Mr. Eustis read Article 6 at 7:32 PM: By a non-binding resolution, shall the Essex Junction Board of Trustees be advised to draft a charter to create the independent City of Essex Junction, for consideration by the Village of Essex Junction voters no later than November 2021, should efforts seeking a vote for reconsideration on the issue of merger fail. We advise that the charter shall not include any union municipal districts, interlocal contracts, special tax districts or other relationships within the Town of Essex for the provision of Village Government services. The only exception may be for the consideration of police services.

Mr. Kerin explained that Article 6 is being asked because 5% of the Village voters signed a petition to find a direction for moving forward, if the merger revote does not pass. He said the petitioners are hoping for a charter that separates the Village from the Town. He clarified that if a vote on Article 6 passes and a charter is created, any charter changes need approval from the legislature. Mr. Kerin said the Trustees are planning to develop an advisory board to consider options if the merger revote fails. He said he believes that merger would make Essex stronger but, if it fails, the communities will find a way to move forward amicably.

Mr. Eustis opened public discussion of Article 6.

Rep. Houghton thanked the Trustees for their fast response to the petition and for their leadership on this issue.

Mr. Sullivan thanked the Trustees for the hard work involved with the merger issue and commended everyone involved in the effort.

Mr. Deslauriers asked what the benefits would be if the Village were to become its own, independent city. Mr. Kerin said that taxing would change so Village residents would no longer also pay taxes to Essex Town. He explained that the Town outside the Village grew services in recreation, fire and more over time, and the Village helps pay for these, even though there are redundancies. He talked about how the conclusion or IBM's machinery equipment tax resulted in increased taxes transferred to the Village, which began some of the tax equity discussions.

Mr. Czaplicke asked for clarification on what services the Village taxes to the Town pay for. Mr. Brown said the taxes go toward everything in town government, which includes some duplicative services. Mr. Kerin explained that, when the Village originally was formed within the Town, it established services that the Town did not need or want. He said the Town outside the Village grew, over 150 years, to a point where they wanted similar services. He said the Village is an incorporated municipality within the Town, which is why the taxpayers have to pay for both. Mr. Tyler added that, under state statute, an incorporated village must exist inside a town, and must continue to pay taxes to the town, but the town is not required to pay for services into the incorporated village. He said that many other Town and Village arrangements in Vermont have found equitable status quo ways to deal with the structure, but when the Town outside the Village grew the Essex municipalities did not find a status quo.

Mr. Sullivan asked if the Town could hold a second revote if the merger revote on April 13 passes. Mr. Brown explained that a second revote cannot take place because a question can only be asked of voters one more time during a year and this revote constitutes as that.

11. ANNOUNCEMENT ABOUT ARTICLE 7

Mr. Eustis read Article 7 at 7:54 PM: To elect Village officers required by law including: Moderator (one year term); two Village Trustees (2 three-year terms); one Library Trustee (five-year term)?

Mr. Eustis explained that polls at the Highschool would be open on Tuesday April 13 from 7:00 AM to 7:00 PM but people could instead choose to mail-in or drop off ballots at the Town office until April 12. Ms. McNamera-Hill said ballots must be received by the end of polls on Tuesday.

Mike Sullivan suggested that people should consider taking their ballots to the Town offices or polling location instead of mailing them, due to the short window of time left.

Mr. Teich explained that when a ballot is mailed locally, it will go to a poll mailing center in a different part of the state before coming back to Essex. Ms. McNamera-Hill thanked the US Postal Service workers for their hard work.

Rep. Dolan thanked staff for their experience and work to conduct an effective vote.

12. PUBLIC TO BE HEARD

Mr. Tyler stated there is false information circulating claiming he is the sole writer of the proposed plan of merger charter being voted on. He clarified that the process was all-inclusive of Trustees, Selectboard members and Legal Counsel.

Mr. Chawla presented an overview of VT Act 164, which will regulate the production and sale of cannabis. He said municipalities can opt-out of cannabis sales, but not production. He talked about the types of licenses that will become available and explained the legislature's timeline for discussions and license development. Mr. Chawla said that communities will need to opt-in if they want to be able to allow retail sales but they could then control the locations of cannabis sales through zoning. He invited the public to attend Village Planning Commission and Trustee meetings to be part of this discussion. He said towns will be able to issue Cannabis sale licenses to establishments but incorporated villages cannot. Mr. Teich said that, once elections are over, this topic will be prioritized and Community Development Directors are conducting outreach on the topic. Mr. Duggan said a combined effort will include appointments from the Trustees, Police Department and Economic Development Commission to address the issue.

Mr. Brown provided an update on the Crescent Connector. He showed a map of Pearl, Lincoln Park, Maple, and Main streets which illustrated the road to be established. He said federal funds will be used to link streets and bypass train tracks to improve travel from Essex to Williston. He said plans include increased public parking; improved property development; better opportunities for walk and bike transportation; and traffic diversion away from the Village center. He said this year's first phase of the project will replace train crossing intersections to improve driving, including establishing rail guards. Mr. Brown said that the second phase of the project, next year, will establish the road. Mr. Tyler thanked the Village attorney, engineer, and Community Development Director for their efforts on this major rebuild.

Mr. Sullivan wondered whether the train crossings could be established as quiet crossings where horns are not blown. Mr. Teich said that Central Railroad may consider this in the future but were not ready to consider addressing the federal rail administration guidelines for quiet crossings with the Crescent Connector project.

Mr. Sullivan requested that the Police Chief address the issue of people on high speed motorbikes at 2:00 AM in the Town and Village.

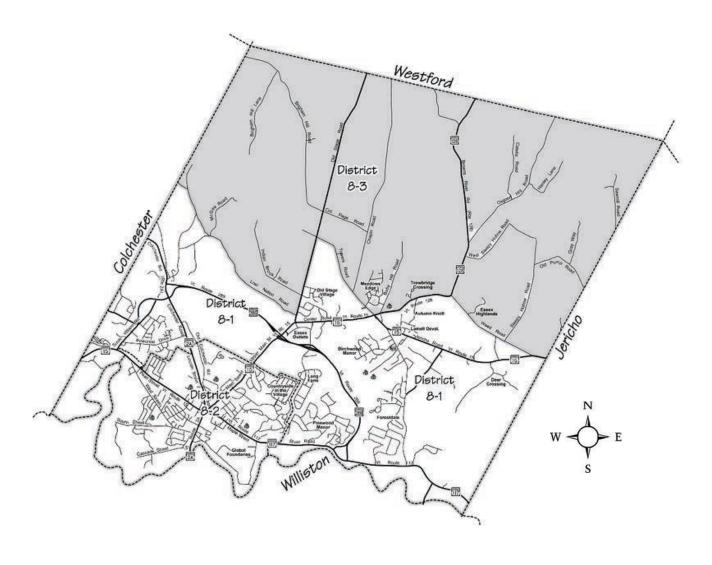

Mr. Brown expressed gratitude to the community over this pandemic year, for coming together to help each other and share acts of kindness.

13. ADJOURN

Mr. Eustis adjourned the meeting at 8:23 PM.

Respectfully Submitted, Cathy Ainsworth Recording Secretary

VOTER INFORMATION

Chittenden District 8-2

Representatives - Karen Dolan and Lori Houghton

All of the population within the chartered boundaries of the Village of Essex Junction except those voters residing in Census Block 1023 (173-261 Pearl Street) who are a part of District 8-1.

Polling place: Essex High School, 2 Educational Dr.

VOTER INFORMATION

Early/Absentee Ballots:

Early/absentee ballots are being mailed to all active registered voters. All early/absentee ballots must be returned to the Clerk's Office by Monday, April 11th or delivered directly to the polling place before the close of polls on April 12th. If you do not want to vote by mail, please bring your ballot with you to the polling place on April 12th.

Voter Registration:

If you are not already registered in Essex Junction, you can apply online at https://olvr.vermont.gov/ or at the polling place for same day registration. All that is required for voter registration is your VT driver's license number, or if you do not have a VT driver's license, the last four digits of your social security number. New Vermont residents must provide proof of residence.

ELECTED VILLAGE OFFICIALS

In 2021, the Village of Essex Junction is governed by the Council-Manager form of government. It has a five-member nonpartisan Board of Trustees, which is elected at large and is responsible for determining Village policy. The Chief Executive Manager is the Unified Manager, who is appointed by the Village Board of Trustees and the Town Selectboard and is responsible for the day-to-day operations of the Village. The Town of Essex and the Village of Essex Junction have shared a manager since 2013, with the current unified management structure ending in February 2022. All residents, whether living inside or outside the Village of Essex Junction, are residents of the Town and have the right to participate in Town activities, including the election of Town officials.

GENERAL SERVICES

Where do I go to...

81 Main Street office 7:30am to 4:30 pm M-F ph. 878-1341

- Voting: registration, absentee ballots, and election questions
- Tax bill questions, copies of your bill, receipts for payment, to pay in cash, check or credit card
- Water bill questions, copies of your bill, receipts for payment, to pay in cash, check or credit card
- Property assessment information, land records, title searches
- Other: dog licenses, marriage licenses, birth and death certificates, Green Mountain Passports, hunting licenses
- Notary Services
- Cemetery records

2 Lincoln Street office 8:00am to 4:30 pm M-F ph. 878-6944

- Community Development information on upcoming projects
- **Planning and Zoning** questions and permits (building, garage sale, street vending, temporary use, water/sewer service)
- Manager's Office
- Essex Area Senior Center
- Public Works
- Drop-off location for water/tax bill payments (checks only/no receipts). For receipts, to pay with cash/credit card, to ask questions or receive a copy of your latest bill please stop by the 81 Main St. Office.

Wendy Hysko, Library Director

BROWNELL LIBRARY

Brownell Library continues to serve many in FYE 2021

- 22,682 visits and 60,800 items circulated.
 - There were 317 programs offered with a total of 1,716 people attending.
 - 108 programs for children: 352 attendees, 1280 kits/handouts, and 750 social media engagements
 - o 62 programs for teens: 138 attendees, 196 kits/handout
 - 34 programs for all youth ages: 284 attendees, 200 kits/handouts, 138 social media engagements
 - 113 programs for adults: 942 attendees, 101 kits
- Our volunteers, limited to specific essential roles due to pandemic operations, donated 690 hours of their time helping with various tasks and programs.
- Our public computers were used 16 times, and our public WiFi logged 2269 sessions.

Programming

- Ongoing Adult programs include: Must Read Mondays book discussions; Vermont Humanities Council First Wednesday lectures; AARP tax preparation; Current Events discussions; Tech Help with Clif; DIY Crafts; Vermont Astronomical Society programs. Monthly craft kits are now distributed for adults.
- Ongoing Youth programs include: Diversify Your Reading Challenge; Homeschool books groups grades 1-12; kits for preschool, middle grade, and teen patrons; virtual storytimes for babies, 2-4 year olds, and preschoolers; Teen Writers Club; Teen Advisory Board; Library Elementary Event Planners; Kids in the Kitchen; monthly outside the library programs like story walks, scavenger hunts, and other challenges; and volunteer opportunities for teens.

Technology FYE 2021 - HT updated the tech section 12.15.21

The library added Chromebooks and webcams for circulation. Through projects with the Vermont Public Service Department and Microsoft, as well as the ITDRC projectConnect, the library was able to add two new outdoor wifi access points to better increase the range of internet access outside the building.

Staffing

Tracey Durgan was promoted to Assistant Librarian/Interlibrary Loan Librarian. Brownell has experienced turnover in a few part-time positions resulting in staffing shortages and the need for constant hiring throughout the year.

Milestones

Brownell Library collaborated with the following community organizations: Howard Center; EPD;Community Justice Center; Community Development, VT Astronomical Society, Essex Westford School District, Fleming Elementary, Summit Street, and Albert D. Lawton, area preschools, Essex

BROWNELL LIBRARY

Free Library, Fletcher Free Library, Deborah Rawson Library, Champlain Valley Fair, Eagle Scouts, Chittenden County Humane Society, Maple Ridge Memory Care, Hannaford, Green Mountain 4H Club, Vermont Humanities Council, Vermont Department of Libraries, Vermont Urban and Community Forestry Program, Vermont Department of Forests Parks and Recreation, Municipal Equity Committee, Lake Champlain Sea Grant and UVM Extension, Vermont Embroidery Guild, Rocky's, Mimmo's Pizzeria and Restaurant, Phoenix Books, Sweet Clover Market, Sweet Alchemy, Essex Cinemas, Regal Gymnastics Academy, and Black Knight.

Continuing to navigate the pandemic, appointments were added to curbside pickup, and then open browse times returned in Summer 2021.

Brownell worked with other departments to receive CARES funds for the installation of a pavilion on the south side of the building. Power was turned on December 24, 2020 to light the pavilion after dark, and provide power outlets for programs and general use like telecommuters using wifi and passersby charging devices.

Added Wonderbooks (a mix of audio and physical books), circulating games and kits to the youth collection. Updated bowing shelving in youth Non-Fiction, and rearranged the picture book room!

Summer Reading 2021

Our "Tails and Tales" Reading Program occurred during another pandemic summer, so we offered a mix of outdoor, virtual, and kit based programs to accommodate families' varying levels of comfort. Some ongoing programs included Story Time Safaris under the pavilion, kits for preschool, elementary, and teen patrons, Teen Writers Club, and opportunities to Read Aloud with Daisy. There were biweekly scavenger hunts and zine challenges, and classic one-off programs like the Teddy Bear Sleepover and Mystery Word Week. Some highlights included: Kids enjoying juice and animal crackers while painting their favorite pets in a Virtual Paint and Sip with Tina Logan, a paper crane display over the youth desk representing the many books that kids read over the summer, and the final party with the No Strings Marionettes. Everyone that participated was entered into a drawing with prizes donated from local businesses. Altogether 153 children (0-12) and 15 teens (13-18) registered for summer reading. Participants read for a total of 124 hours and 1721 books.

Looking Ahead to FYE2022

Our online catalog will be updated with the ASPEN Discovery layer that includes a more seamless user experience bringing third party records for digital content together with physical library material records for easier access.

We will be adding self service lockers for low contact pickup of library materials.

We will be updating much of the fluorescent lights to LED for energy efficiency and better lighting.

Thank you for your continued support of library services in the heart of the Village. For more information about the library, go to www.brownelllibrary.org or call us at 878-6955.

Susan McNamara-Hill, Clerk and Treasurer

As COVID-19 continued throughout 2021 we were again able to hold the Annual Village meeting by Australian ballot and mail ballots to all active voters. Below are the articles and results of the Annual Village Meeting held by Australian ballot on April 13, 2021:

ARTICLE 1. Shall the voters approve an annual General Fund Budget in the amount of \$5,641,278 for fiscal year July 1, 2021 to June 30, 2022, \$3,745,866 of which is to be levied in taxes against the Village Grand List?

Yes: 2536

No: 808

Blank Votes: 204

ARTICLE 2. Shall the Village authorize the transfer of the remaining balance in the Land Acquisition Fund, estimated balance to be approximately \$82,700, to the Economic Development Fund to be used for downtown development.

Yes: 2609

No: 768

Blank Votes: 171

ARTICLE 3. Shall the voters approve extending the one cent Capital Improvement tax (also known as Economic Development tax), as established in 2016, to be reconsidered at annual meeting in 2024.

Yes: 2434

No: 905

Blank Votes: 209

ARTICLE 4. Shall the annual stipend for the position of a Trustee of the Village Board of Trustees be raised from \$500 to \$1,000?

Yes: 2282

No: 1110

Blank Votes: 156

ARTICLE 5. Shall the voters approve holding the 2022 Annual Meeting on Wednesday, April 6, 2022 to act upon any articles not involving voting by Australian ballot and to reconvene on Tuesday, April 12, 2022 to vote for the Village officers and transact any business involving voting by Australian ballot?

Yes: 2937

No: 373

Blank Votes: 238

ARTICLE 6. By a non-binding resolution, shall the Essex Junction Board of Trustees be advised to draft a charter to create the independent City of Essex Junction, for consideration by the Village of Essex Junction voters no later than November 2021, should efforts seeking a vote for reconsideration on the issue of merger fail. We advise that the charter shall not include any union municipal districts, interlocal contracts, special tax districts or other relationships within the Town of Essex for the provision of Village Government services. The only exception may be for the consideration of police services.

Yes: 2690

No: 709

Blank Votes: 149

ARTICLE 7. To elect Village officers required by law including:Moderator (one-year term); two Village Trustees (2 three-year terms); one Library Trustee (five-year term)?

| Moderator | Trustee (2 three-year terms) | Library Trustee |
|---------------------|---------------------------------|-----------------------|
| Steven Eustis: 2938 | Andrew Brown: 2667 | Jeanne C. Grant: 2926 |
| Write-ins: 29 | Amber Thibeault: 2586 | Write-ins: 20 |
| Blank votes: 581 | Write-ins: 48 | Blank votes: 602 |
| | Blank votes: 1795 | |

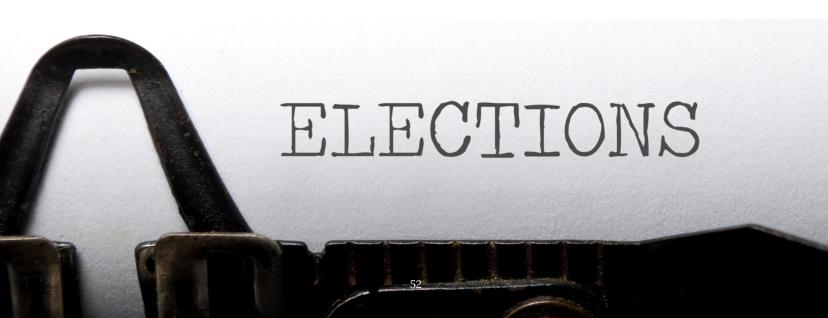

Total number of voters: 3,548 out of 7,606.

Below are the results of the **Special Village Meeting held by Australian ballot on November 2**, **2021**:

Shall the Village of Essex Junction adopt the proposed Charter for the City of Essex Junction, Vermont dated September 14, 2021

Yes: 3070 No: 411 Blank Votes: 10

Total number of voters: 3,491 out of 7,742.

Robin Pierce, Community Development Director Terry Hass, Assistant Zoning Administrator

2021 was the year of the ongoing Pandemic. Even so the Community Development Department and the Trustees worked with the Town of Essex to expand the Out and About event resulting in a third year celebrating community in the Village and the second year the Town collaborated with the Village making the event even bigger and better than previous years. The voucher to residents with reimbursement to participating vendors from the municipalities continued to good effect. Music at numerous venues was an integral part of the weekend program and some vendors reported their best ever days for sales. The Town and Village are planning to continue collaboration with an Out and About event in 2022.

With the purchase of 1 Main Street the next step was to develop a Plan for the remediation of the site and develop a design to create a space for gathering in our Village Core. The Trustees approved a design and asked Rick Hamlin, from the Village Engineering firm to develop construction drawings so the new Plan can be implemented. It is hoped that Rick will have the construction drawings early 2022 enabling the space to be bid for remediation. The new public space will have a raised platform for performers, a small area that will provide a modicum of shelter from the noise of the current Five Corners and a larger area with trees to provide shade, benches, lights, trash cans and bike racks will provided.

Work continued on the Connector Road project. In 2021 we finally secured all the Right of Way approvals needed to begin construction drawings for this two-phase project. Unfortunately, construction bids for Phase I, the new Connector Road rail crossing and existing rail crossing, was over budget by S2.5 million. Currently the Village has no municipal match for this \$13 million project, which is unusual for State and Federally funded projects which normally require a twenty percent match. Working with New England Central Railroad, Genesee Wyoming Railroad and the Vermont Department of Transportation the \$2.5 million was secured through earmark funding controlled by Amtrak. This enabled Phase I to move forward and the successful bidder was R J Corman. The contractor will finish the rail crossing work in the autumn of 2022, enabling the road portion (Phase II) to be bid in the winter of 2022.

Construction on 11 Park Street and 3 Maple Street was completed in 2021. The apartments in the buildings were occupied the week after the property owners received Certificates of Occupancy from the Community Development Department. During the final completion phase of 3 Maple Street the Community Development Department asked the owner to create a patio on the side of the building hoping this would attract a business that could use outside space. Happily, Nomad Coffee (which started as a cart at 1 Main Street) will be taking the space to have their first brick and mortar store in the Village. Another portion of the building is slated for a bagel store adding further to the burgeoning 'Food Corners' as we work to put the Village back in Essex Junction.

The former Harley Davidson building on Pearl Street sold, and the Village is worked with the new owner to find tenants for the building. It is anticipated that either a brewery/restaurant combination or a lawn/equipment sales business will move into the building.

COMMUNITY DEVELOPMENT

The Planning Commission has been working with the Chittenden County Regional Planning Commission, interested groups, committees and residents to update the Land Development Code which is hoped to be completed in 2022. We continue to follow the Vermont Brand by increasing density in our core while planning to ameliorate the impact of traffic through the Connector Road, increasing the potential for public transportation, bike lanes and sidewalk connections. With this in mind a grant was presented to Senator Patrick Leahy for \$2.5 million to update the Village train station.

The department continued to work with the Town attending Housing Commission and Economic Development Commission meetings and providing updates on Village projects to each group. It was decided that in 2022 the Department will be seconded to the Bike Walk Committee and the Tree Advisory Committee. The Department has input with the Energy Commission. All Village commissions and committees need volunteers; the Tree Advisory Committee, the Bike Walk Advisory Committee, Planning Commission and Zoning Board of Adjustment need volunteers.

Those interested in volunteering or keeping in touch with new ideas and proposals can find a link on the Village website that will enable them to stay abreast of what is happening at the Commission and Committee level here; https://www.essexjunction.org/news/subscribe

Membership of the Planning Commission changed; John Alden is Chair, Steve Shaw is the Vice Chair, Andrew Boutin, Diane Clemens, Philip Batalion and Patrick Scheld make up the Commission.

Departmental staff attends Chittenden County Regional Planning Commission Transport Advisory Committee, and Planning Advisory Committee meetings, Economic Development Commission and Housing Commission meetings, Planning Commission, Zoning Board meetings, Trustee meetings. Most of these meetings this year were undertaken remotely. The Community Development Department can be reached at 802-878-6950.

The Essex Junction Fire Department provides fire protection for the Village of Essex Junction with a paid call staff of thirty individuals. The Essex Junction Fire Department has no full time paid staff. Staff are paid a stipend for fire call attendance and administrative time. Our staff volunteer their time to maintain mandatory quarterly fire training requirements.

We responded to 532 calls for service during the calendar year of 2021. Our call volume includes fire calls in Essex Junction, EMS (First Response) calls in Essex Junction as well as mutual aid calls to our neighboring departments.

Call volume increased in 2021 even though COVID continued as a concern for all of our staff. We purchased and installed two extractors used to clean our turnout gear. Our staff built a gear dryer to help us dry gear more efficiently, returning those members to service sooner.

We have placed an order for new Thermal Imaging cameras; these will replace our older models currently in use. This equipment allows us to execute a rescue quicker by locating fire victims under zero visibility.

We would like to extend our sincere gratitude to the Essex Fire Department, Essex Rescue, Essex Police, Village residents, Village Manger and Trustees for your continued support of our mission.

We would like to recognize the following individuals who have exceeded 10 years of service with the Essex Junction Fire Department:

The Public Works Department's most important focus is the efficient and effective maintenance of our Village's streets, sidewalks, utilities and other public infrastructure.

Our Public Works crew of eight also performs snow removal and provides emergency response to citizen concerns. Public Works staff assists with the set-up of numerous Village activities, such as spring cleanup, the Block Party, and the Memorial Day Parade.

We welcome your opinions, comments, and suggestions! Public Works staff can be reached at 878-6944 or pw@essexjunction.org.

Projects Completed

- Street sweeping
- Pruning trees
- Hydrant flushing
- Flushed approximately 50,000 feet of sewer lines
- Cleaned catch basins
- Water meter change-out program

Goals for Fiscal Year 2023

- Densmore Drive culvert replacement
- Class 3 road paving
- Finish water meter change-out program. Call 876-5033 or email ejwatermeter@yahoo.com to schedule a time for your water meter replacement.

AFTERSCHOOL CARE & SUMMER DAY CAMPS

The Childcare Team continues to provide all licensed afterschool and full-day summer camp programming for the Essex Westford School District (EWSD). There are 415 individual participants in our afterschool programs across 7 sites, and we operate 5 full-day summer camps that support over 400 campers each week.

We secured \$600K in grant funding this year, which has allowed us to invest in staff and in program-wide improvements to better serve our community. We added another bus to our fleet this fall, which allowed us to expand our afterschool offerings to meet the increased need from families.

Our partnership with EWSD continues to be a critical component of our success, particularly in regard to our 7 shared staff members who work within their school communities during the day,

and shift gears to afterschool sites in the afternoon. This unique model provides consistent relationships, continuity in expectations from school to afterschool and into summer, and allows us to hire highly qualified staff as full-time, year-round employees to fill these important roles.

There is certainly no shortage of challenges facing the childcare field these days, and our incredible team of full- and part-time staff has continued to lean in to provide high quality, creative, thoughtful, and fun programming for the youth in our community.

COMMUNITY EVENTS

In the true spirit of adaptation, we kicked off the year reimagining some of our classic events such as the annual Egg Hunt which was expanded and held at different parks around Essex. Summer brought a fairly normal season with the pool and swim lessons operating at full capacity. Partnering with Champlain Valley Exposition for the first time, we saw a record 7,000 people at our July 4th Celebration. We purchased a 27-foot tall inflatable movie screen for our fall movie nights giving a true theater feel to outdoor viewing.

The Essex Trick or Treat Trail was back for a second year and held for the first time at Maple Street Park. Community volunteers contributed to carving over 550 pumpkins and decorating festive tents for the event. Our holiday events have become quite extensive, including over \$7,500 in gifts donated and purchased for the Giving Tree and 300+ letters sent to the North Pole.

RECREATION PROGRAMS

We continued robust programming throughout the year with certifications such as Drivers Ed, CPR, and Wilderness First Responder. Adult programming included yoga, Tai Chi, dog classes, pickleball tournaments & clinics as well as our community running series. For our youngest residents, we were able to provide Kindermusik, our free preschool playgroup, and Soccer Sparks. We saw the return of our Youth Basketball League for the first time since the pandemic began and the return of adult basketball leagues. Last

summer we offered over 60 sections of summer programming for school aged children and served 675 unique individuals with nearly 900 enrollments from June-August.

EJRP PRESCHOOL

EJRP Preschool entered into its 13th year. It currently supports 36 families, the majority of which are Village residents. The program is committed to growing good humans, and even through challenges of the pandemic, our teaching team, children, and families are happy, healthy and thriving. With a focus on social/emotional work, children are learning mindfulness and regulation, as well as to love, care for and work positively with one another - all skills that will make for amazing community members in the future! EJRP Preschool earned its last star this year and is now a FIVE star program in the STep Ahead Recognition System (STARS). We look forward to opening enrollment soon for our incoming Explorers class and finishing out the school year with our soon-to-be Kindergarteners.

PARKS & FACILITIES

We continued this year to adapt to Covid protocols and provide fun, safe accessible amenities for the community. We started our season with making in person visits safe for employees and the community with a new lobby set-up, which includes a safe service window and interior locking

doors to control entry into our buildings.

We moved outside in the spring making several improvements like new dugout roofs and water run off control to our baseball fields. We added a new playground and, based on the research we have done, makes us believe it is the largest, most accessible and inclusive playground in the state.

We finished our season moving our Halloween event to Maple Street Park, making improvements to our winter lights display to include a new 33-foot-high lit tree in front of our facility, and adding an additional 60 feet of our now marginally famous light tunnel.

Chelsea Mandigo, Water Quality Superintendent

The Water Quality Department went through a transition at the end of 2021 with the retirement of Jim Jutras (outgoing Water Quality Superintendent) who retired in early January 2022 after a 31-year career with the Village.

Gear in review

Wastewater

- Participation in Covid research of the virus effectiveness in sewage
- VT Phosphorus Innovation Challenge Grant Phase 2 pilot work at wastewater with UVM using patent pending technology. The project will reduce operating costs and avoid costly construction.
- PFAS testing and evaluation of our land application program.
- Submitted the Phosphorus Optimization Plan for state review
- Odor control work in collection system to reduce chemical costs.
- Participation in Flexible Load Management pilot program with GMP and Dynamic Organics to reduce facility energy use costs
- The Essex Junction Wastewater Facility received two awards in 2021 1) New England Water Environment Association Residuals Management Achievement Award (2021) the Efficiency Vermont Best Practices (BPX) Innovation Energy Leadership Award (2021)
- Jim Jutras received the New England Water Environment Association Biosolids Management Award (2021)
- Bernie Fleury (Chief Operator) received the Green Mountain Water Environment Association Wastewater Operator of the Year Award (2021)

Stormwater

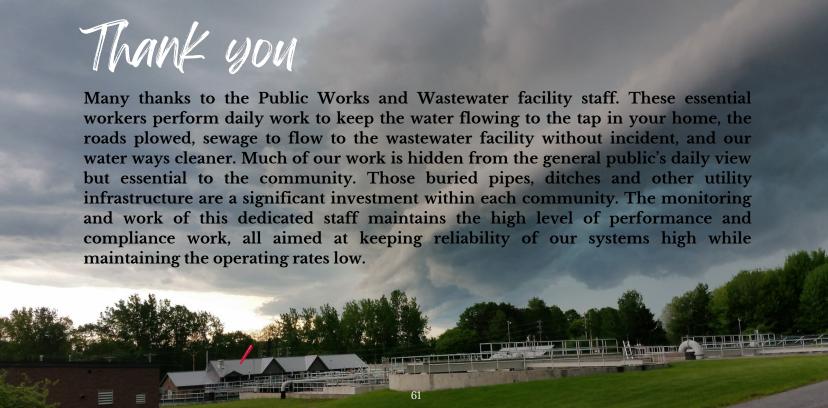

- Design and bid of the second culvert replacement on Densmore near Brickyard
- Submitted the Stormwater Phosphorus control plan for state review
- Participated in research project for stormwater gravel wetland phosphorus removal efficiencies
- Planned outfall stabilization projects for Summer 2022 implementation

Grant Funded Projects

- FEMA funded replacement of the failed Densmore Drive Culvert near Main completed.
- Design the replacement culvert for Brickyard Road near Densmore
- Completed Phase 1 condition assessment using closed circuit TV inspections of stormwater lines in the Village. Received a second grant to conduct Phase 2
- Final design for stormwater improvements on Cul de Sac improvements on Acorn Circle with Oakwood Lane and Sage Circle in a joint effort with the Town.

The culvert Indian Brook passes through on Densmore Drive near Main Street was destroyed in a Fall 2019 storm. FEMA provided 75% of the funds to replace the culvert with a properly sized culvert pictured above. There was associated water, sewer and stormwater line replacement work done as part of the project. The project was completed in summer 2021.

Committee on Equity for Essex

The Committee on Equity for Essex (CEE), is a municipal committee that is dedicated to redistributing decision-making, resources, and power into our community to ensure the voices of those who have been historically marginalized are centered. This is an ongoing effort and we continue to seek feedback as we progress.

The Committee finished out its multi-year engagement with The Creative Discourse Group working along with Essex BEST (Building Equity, Strength and Trust), previously known as the Safety, Policing and Racial Justice Task Force. Though the Creative Discourse Group has finished this iteration of work with us for the moment, both CEE and Essex BEST are still just beginning. Both groups are working closely to build a more equitable, inclusive and welcoming community while moving forward with their newly outlined goals and holding each other accountable along the way.

CEE established its current roles, which include:

- Supporting and connecting equity initiatives across the municipality
- Recommending ways to bring an equity lens to resource allocation decisions
- Internal and external communication so staff, elected officials and community members know about the equity work that is happening
- Acting as a sounding board regarding specific incidents

Working through specific municipal policies together, and serving as a lens and layer

CEE, Essex BEST, and VIEW (Voices for Inclusion in Essex and Westford) worked together to hold Essex's very first Juneteenth celebration and look forward to another wonderful celebration this coming year. Stay tuned for more details! The committee has acted as a sounding board for various equity issues that came up internally across all departments within the municipality.

We also worked with staff to create and implement protocols for the new stipend policy for boards and committees of both the Village and Town. CEE works closely with the Essex Westford School district to ensure that the municipality and school district are working together to serve the whole community.

We look forward to fulfilling further goals with more of a focus on redistributing decision making, resources and power as stated above! Please visit our <u>website</u> at www. essexvt.org for more details and to sign up for updates as they are released.

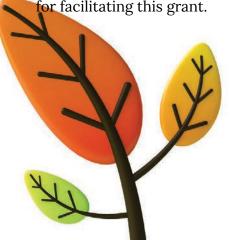

The Village of Essex Junction Tree Advisory Committee, (TAC), serves in an advisory capacity to the Village of Essex Junction Board of Trustees, Planning Commission, Village Manager and the Superintendent of the Department of Public Works. TAC was established in 2014 to provide a mechanism for the planting, maintenance, protection and removal of trees and shrubs on public streets, parks and Village owned properties within the Village of Essex Junction. The committee works in cooperation with the Village Tree Warden.

Street trees, the trees in your yard, and trees in our parks make up the Village's urban forest. Trees contribute to our village's livability and beauty. The benefits of trees are numerous. Trees control erosion, lessen storm water runoff, dampen wind and sound, help cool our homes and buildings, provide food and shelter for wildlife, convert carbon dioxide into oxygen, and add immeasurable beauty to our environment.

In 2021 TAC accomplished many projects that will benefit the Village for years to come. As we continue our tree planting, we are happy to report that we planted 45 new trees that now grace Village streets! The largest planting occurred on Mansfield Ave. where a storm water project was completed in 2020. This planting aids the storm water project as well as the residents that live there.

This year marks the planting of 15 trees from the Branch Out Burlington nursery. In 2019 TAC began a partnership with BOB to produce our own trees for the Village. Volunteers plant and care for the trees until they are ready to be transplanted to our streets which will amount to significant cost savings for the Village. We greatly appreciate Branch Out Burlington for giving TAC the opportunity to be part of their organization!

The Emerald Ash Borer has now been detected on our doorstep in the communities of Colchester and Richmond. TAC developed an EAB management plan in 2018 to deal with this threat. This past year we partnered with the town on an Emerald Ash Borer grant from the US Forest Service and the Vermont Urban and Community Forestry Program. The funds assisted in the costs associated with removal of ash trees and planting of new trees of different varieties in the Lavoie, Wilkinson and Tyler neighborhoods. We want to thank Darren Schibler for facilitating this grant.

The Village of Essex Junction has been designated A Tree City USA by the National Arbor Day Association. This marks the sixth year that the Village is honored for their commitment to caring for and expanding the urban forest.

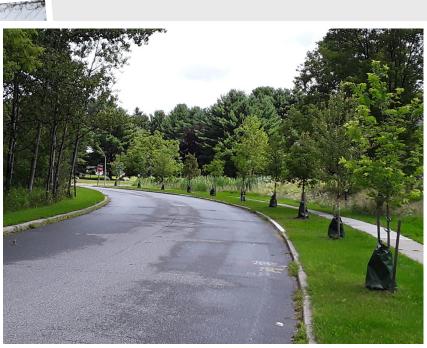

Essex Junction Tree Advisory Committee

Educating residents of all ages about the value of trees in the village environment is a goal of our committee. Every year TAC organizes an Arbor Day event at a school. The 2021 event was at the Summit Street School on May 7. Students assisted in planting a maple tree and learned about the benefits of trees. Students then shared their writing pieces with the class.

In closing, the Committee would like to thank the residents of Essex Junction, the Village Trustees, and the Public Works Department for their continued support.
