

2025 Cycling Map

See reverse side for local map

For the most up to date regional route information, contact the relevant municipalities or visit an open-source map website such as cyclosm.org.

Notice some gaps in the City's bike routes? Join the Essex Junction Bike/Walk Advisory Committee every second Thursday of each month to help the City plan for improved and expanded bicycle and pedestrian infrastructure in the coming years! Visit essexjunction.org/boards/bike-walk-advisory-committee for more details.
