

**VILLAGE OF ESSEX JUNCTION  
BIKE/WALK ADVISORY COMMITTEE MEETING  
MONDAY, JANUARY 27, 2020 AT 6:00 PM  
LINCOLN HALL  
MINUTES**

**In attendance:** Micah Hagan (Chair), Jeff Frolik, Eric Bowker, Cathy Shearer,  
Guest: Raj Chawla

**Called to Order:** 6:10 PM

**Minutes Review**

Tabled. Not approved due to lack of quorum @ the time

**Community Outreach**

Need to Create an Essex BWAC Facebook page

Look into options for moderating the page/limiting comments

Review BWAC Awards and timelines to re-applying for updates to those

**Crosswalks**

Research 3D design options

Rapid flashing beacons have been well received

Consider motion activated light options near dark/risky cross walk ends

**Firebird Green Space**

Land purchase approved, make sure long term plan included effective positioning of bike racks

Focus on visible and functional deployment

**Bus Stop Bike Racks**

Eric waiting on response from Jamie

Micah reaching out to Rick Jones and legal/logistical concerns

Research inventory of BWAC related items – Reach out of Rick Jones

Monitor community development planning via website

Possible opportunities to enhance designs at an early stage

**Adjourn:** 6:55 pm

Respectfully submitted,

Micah Hagan
