

BWAC Meeting Minutes
2/17/21

In attendance: Micah Hagan – Chair, Eric Bowker, Annie Cooper, Elijah Massey, Carolyn West, and Linda Mahns, Staff Representative.

Meeting began at 6:05 pm

Agenda items and minutes:

- **Review last month's minutes** – skipped because meeting did not meet a quorum.
- **Park Street Fatality** – Intersection of Park Street and Franklin Street. Discussion occurred to see about what signs/street needs might be needed at this awkward intersection. This likely will be on a future agenda for discussion.
- **Final RRFB Grant Application** – There was an update of what all was completed for this grant application. A map is needed and Elijah has offered to create a map for the application. Annie will send google maps and links to Elijah for his use. A Trustees letter from Andrew will be added to the grant application and Micah will put all this together.
- **Public Comment** – Carolyn brought up safety of walking/biking and wants to have a talk with EWSD to see if a safety discussion could occur. Eric said he could make some connections between this committee and the school (Jamie Smith, EWSD Transportation) to see about “street smart” teachings for kids for bike safety, crosswalk safety, etc. An agenda item for this will be added to a future meeting. Brian Donohue is a school board member that may be invited to the meeting where this may. Perhaps a check in with Essex PD to see speed limit enforcement in the Village. Annie will contact Brian Donahue and Ron Hoague to get the ball rolling for School/Sweet Smart Safety discussion for kids and adults. How to keep our kids safe while mobile in the village.
- **Dropbox link** – Micah to send to all board members on this link.

March 15th is set for the next meeting at 6 pm.

Meeting ended at 7:01 pm.
