City Council Rules for Public Participation

Vermont's Open Meeting Law protects the public's right to attend and participate in meetings of local public bodies, but the purpose and function of these meetings is for the public body to do the work of the public; they are not meetings of the public (i.e., public forums). Consequently, these rules are necessary to manage the public's participation to ensure an environment in which the public feels safe to express their views on matters considered by the public body while minimizing disruptions so that the public body can get its work done. The full City Council Rules of Procedures for Meetings can be found here: www.essexjunction.org/codes/policies.
