**Submit two (2) full size copies, a PDF copy, GIS and supportive documentation required by the Code and the appropriate completed checklist for initial review by Staff. After Staff determines the application is complete attach two (2) full size copies and eight (8) 18" x 24" copies of your proposal, forty-five (45) days prior to a scheduled meeting. Applications that are not complete cannot be accepted for review.**

Briefly describe your proposal (attach separate sheet if necessary) The project is an 18-Unit multi-family building. 4 stories are proposed from the front of the building while a basement ground floor will be accessed at the rear of the building only. On-site parking is proposed at the front of the parcel and is also proposed to be shared with the abutting commercial property next door, which is also owned by the owner/applicant of this proposal.

Describe all waiver requests (if applicable) A parking waiver for a ratio of 1 to 1 is requested. 18 spaces are proposed to be dedicated to the new building between parking at the front of the parcel and dedicated spaces at the abutting property. Please see narrative and parking count for more details.

**I certify that the information on this application is true and correct. I agree to abide by all the rules and regulations as specified in the land development code and any conditions placed upon approval of this application. In accordance with the Essex Junction City Council Policy for Funding Engineer Plan Review and Inspections, the applicant by signing this form agrees to pay for the actual cost of engineering plan review and construction inspections by the City Engineer.**
