Time: 9 AM to 2:30 PM

Guided Tours: 9:30 AM; 11AM;
1:00 PM

WHO SHOULD COME?

Anyone who has an interest in clean water, the health of Lake Champlain, renewable energy, etc.

Lunch time food and refreshments will be served!

What is “wastewater”?

Why is a treatment facility needed?

The 3 Ps: Why Pee, Poo and (toilet) Paper are the only things down the drain!

Celebrate Clean Water Week by coming to the open house and tour of the Essex Junction Wastewater Treatment Facility. There you will learn the answers to the above questions as well as how the facility improves the water quality of Lake Champlain and how we use wastewater treatment by-products to reduce our dependence on heat, electricity, and fertilizer.

Parents with children most welcome!
