The Chittenden County Regional Planning Commission (CCRPC), the Village of Essex Junction and the Town of Essex are studying how to improve pedestrian and bicycle connections between the Village and VT289 along VT 15 and from Ethan Allen Avenue to West Street Extension.

We are hosting a public meeting to present alternatives and gather public input. Please attend and provide your thoughts on the alternatives in these two corridors. More information can be found at the project websites at the following links: [Athens Drive to VT 289](#) and [Ethan Allen Ave. to West Street Extension](#).

We Want to Hear from You!

If you are unable to attend and have comments/questions, please contact Gregory Edwards, Project Manager, Stantec Consulting, 802-864-0223 or greg.edwards@stantec.com.

In accordance with provisions of the Americans with Disabilities Act (ADA) of 1990, the CCRPC will ensure public meeting sites are accessible to all people. Requests for free interpretive or translation services, assistive devices, or other requested accommodations, should be made to Emma Vaughn, CCRPC Title VI Coordinator, at 802-846-4490 ext. *21 or evaughn@ccrpcvt.org, no later than 3 business days prior to the meeting for which services are requested.
